https://x.com/EddoneganB/status/2055457776546074893?s=20 @OANN

I would be delighted for @mattgaetz and others to face firing squad deaths for the flim-flam constant false allegations, ghosting, racketeeing break-ins and theft of computers, etc., that Jen Moore was whistleblower before she was murdered. She and I made every effort a covert illegal program was falisfied in every wayh accorss the board as violence against whistleblowers her and me. Pictured me having to protect my computers from Break-Ins as OANN was using The Athiest Papers modified into their Christian messaging. 1001 N. Water Street. Pictured Second Line of Troops Jen More was on the front line against the same corruption that killed her, Jessica Aber, and others. FIRING SQUAD Guantanamo Bay for these trash. The truth will come out steal my computers or not. @FBIWFO -- ProtectingThePCFromNeibhorThugsPlantedInBuildingToStealIt.png At the time my computer was stolen I was asserting OANN was copying my unpublished content and ignoring that theives were stealing my computer, cutting the cable into the apartment to prevent WiFi so I had to live of cell phone hot spot, I was receiveng credible death threats and knife attacks if I continued publishing. OANN when contact by me or Jen Moorre have refused to acknowlege flim flim to undermine my book on my own biography and life through the decades of the Cold War and JKF assasination. At this time I was ALSO asserting serverl deaths had occured up to that point, killers had bragged about it, threatened to kill me and others, and in my books I show Mark Gonzales by that time had bunred a buidling down with bodies in the bath tub and the Floyd Simpson, Chief of Police under Mark Gonzales had died supsicously as 7 others had and I had at that time photographic evidence.

Jen Moore (before her death in 2018) had asserted corruption hiding the story of Allen Dulles and bow Borderline Personality Disorder at McMartin was being coverd up with flim con jobs especaly from religious groups in Texas. One asserted because I had such severe retardation brought about by an Athiest father who was NOT saved by Jesus my own retardation (that was his fault not mine) made it neccessary for me to have a conservator. I told them I found conversations about the Sisteen Chapel by Micheal Angelo and other of his works, Rodin, the paitings of the Louve in France, the Prado in Spain, and many othere art and science exhibits we have toured around the world. This was not retardation. Yet as Jen Moore asserted in the second floor of churches children were taught how to fake being a victim of me the Athiest in a fraud schem against me.

Jen More said the reason frauds were conducted against me was to silence both her and me about John Foster Dulles and the assination of JFK, and not garden variety Borderline Personalty. OANN all through this rejected why Jen Moore and fifteen others were murdered. Acording to OANN Jenm Moore was nOT repporting the elder abuse of me under flim flam, OANN said they were on the trail of Bill Clinton having sexual desires with Children. This is not what I was saying either. I said I knew Sociology DEI better than most leftists as an Atheist evolutinary believer, yet OANN reversed that into the broadcasters kniew leftism bettern than leftist did. I assertd because I did not go to church I learned other things, the religous groups were saying I had childish mind for not knowing Jesus Christ and the sight of women would corrupt my childishness and cause me to sin. I have kept logs from 2015 onwards.

Corrupt actors abusing power are illegally trying to silence Jen Moore (they did but not before she left what should be views as Deathbed Testimony) and Ed Donegan by thughs, mentally ill people, frame-jobs, and other activities making any exposure outside of the home to dangerous to be, and attacks inside the home by operations utilizing Confidential Informant landlords, etc.,

THe secrets we hold are John Foster Dulles specialist for the CIA in the ANZUS area (Australia New Zealand US) and how as Col Prouty described these plans were made under V.P. Nixon, led to JFK being assasinated, and then those in the plan like George H.W. Bush and Nixon and Nelson Rockefeller to become President and Vice President, and the Entire Obama Sr. and Jr. lineage was interwoven with this history, the JM WAVE histroy RFK was overseeing as AG Oversight Augmented.

And so one of the people I met with last night was also whistle blower law enforcement whistle blower and experienced much the same thing that I did and much the same thing that you hear often just the severe retaliation and targeting and silencing and threats and ruining of lives and setups and frame frame ups and entrapments and you name it if we hold the secrets they want us quiet and they are damn determined to make that happen.

and for many of us we are damn determined to let the American people know the truth it's the best that we absolutely can so that's this journey and so I will attach interview number two and I'm revealing more and more about what's beyond this envelope every day okay talk to you soon. - Whistleblowers Journey Part 2

"**Um, first anonymously because I am in danger, uh, if I don't do it anonymously...** [then this will reveal the identities of Ed Donegan, Glorian Donegan, and other Donegans.] And so that was my attempt [anonymous names] and for reasons that still have not been cleared up to this day, um, I also shared some information with Congress anonymously as a whistleblower."

And a short time after that I was jumped and assaulted at my home by four individuals in what has been told to me was an attempted hit job. And so I managed to survive [several attacks did send her to the hospital for injuries].

Um, but I didn't have a lot of options, and because I had been a whistleblower before in law enforcement [at the City of Tracy, California Police Department, before earning a Master's in Psychology and working in an illegal Borderline Personality Research Program tied to Allen Dulles, the CIA, and the hit on JFK during that research], um, I didn't have a lot of options with some of those guys helping me out-I didn't know who to trust.

So I received some phone calls after that. And I'm not going to go into all the details of that case yet, but I received some phone calls after that from some trusted sources who told me, after a couple of months of kind of lying down [shaking in fear, she reports frequently] in extreme fear-my PTSD had trapped my body in a freeze position-who told me, "**Get out. Get out now because they're going to finish the job.**" So, um, **the warning that I got *during* the assault...**

> Uh, was that, number one, these guys were lying in wait for me. They knew my name. **And the warning that I got from them was that I better keep my effing mouth shut and better stop talking to anybody.**
>
> So, you know, **heard loud and clear** to me.
>
> **But, you know, I had a determination to make at that time. Um, this has been going on for years with other things, and I just couldn't stand by anymore. I was just so sick of being silenced,** and I knew that my own PTSD was a result not only of the trauma and the things that I had witnessed [as a police detective], part of it, **but the majority of it was from being hunted** [and threatened during the assaults].
>
> From being a whistleblower. **From retaliation, from threats, from lies and smears,** and all the different things you've heard that they do to those of us who stand against corruption-especially [corruption] within the justice system.
>
> Those of us that are the most trusted (fire, EMS, police, county workers) are often the ones that win all the awards (right after committing corrupt acts). You get to a certain point and, um, uh, you either turn a blind eye or, you know, all hell breaks loose. And that's happened to many, many people-thousands of people. [In the McMartin Preschool, Franklin, Nebraska, and cover-ups William Colby and others tried to document in fear of their lives.]
>
> And so I had a choice last summer-or not really a choice. I was told, like, get out, get out now. And because I had been helping this one YouTube channel, um, a whistleblower-and many people know who that is-my only thought process was, well, where am I going to go hide? They, you know, I've been trying to hide for years, and they find me wherever.

❖ Those Truthfull Statements Jen Moore was making at the time she was Assasinatted

“

- **→ Because of my background as McMartin School victim to begin with and my parents no longer able to protect me I Edward Donean am an abuse victim of heineous crimes.** These include entrapments, discrediting and cooption of many of my works, assaults and death threats and traumatic encounters as I walk up and down the streets, etc, and this background is I genetically carry a disease of volatile emotions that can be played to by provocatuers. These heinous crimes involved assertign delusions exist in me that I am being stalked, defrauded, framed, and that constant debilitarign long term pscyhicatric committents hvae been used to retaliation against my politics by those who have even coopted my politics with no basis for them holding them except through an study of me.
- **→ The actual politics or any other actual actions or actual beliefs or actual interestrs of Ed Dongan warrant praise not invetigation:** I have long offered my views to police asserting I have been targeted for LEGAL beliefs and a Cold War very interesting background includign my family leaving the church. A scheme of DARVO reversing Ed Donegan attributes is meant to **destroy the life of Ed Donegan making** positive use of the gym seemn negative use of the gym as frame-ups repeat themselves sourced in calculated slander of Ed Donegan never actaull reatly. Similarl the roles of trust fund is reversed use to fund untrue allegations and use by criminals operating the trust, not for the intended use of Ed DOnegan. Similarly "studies" of Ed Donegan are used for the gains of those conducting the surveillance of Ed Donegan not the protection of Ed Donegan human or medical rights or property righst or properties rights. To acheve the abuse of Ed Donegan Identity Theft, proporty rights thefts, and other crimes fabircate the basis for dangerous and abusive vigilatism against Ed DOnegan and his activities and to achieve black-listing of Ed Donegan.

> **DARVO** stands for **Deny, Attack, Reverse Victim and Offender**. It’s a psychological and interpersonal tactic often discussed in Psychology, especially in the context of conflict, manipulation, and abusive dynamics.
>
> ## What each part means

- ➜ **Deny**
  The person refuses to acknowledge wrongdoing or responsibility.
  Example: “That never happened.”

- ➜ **Attack**
  They shift focus by criticizing or blaming the person who raised the issue.
  Example: “You’re too sensitive—you always exaggerate.”

- ➜ **Reverse Victim and Offender**
  They portray themselves as the victim and the actual victim as the aggressor.
  Example: “You’re the one hurting me by accusing me like this.”

Why it matters

DARVO is often used to:

- ➜ Deflect accountability
- ➜ Confuse or destabilize the other person
- ➜ Maintain control in a situation

It can show up in personal relationships, workplace conflicts, or even public controversies.

Where the term comes from

> The concept was identified by Jennifer J. Freyd, a researcher known for her work on trauma and betrayal.

- **→ That the Racketeering Participants refuse to yeild to the fact the studies have no foundation and are meant as abuse of Ed Donegan:** This is criminal ways to descredit Ed Donegan. This has been true since Senators LBJ and PRecott Bush onwards.
- **→ The Texas DPS (Troopers are the Pschological Warfare and Espionage Branch working with Jessica Aber and Houston FBI)** and FBI Systems more generally is *adversarial Allegations of Law Enforcent* Targeting Ed Donegan are *Predatorail Schemes of Law Enforcement* **Targeting a Witnes of historical level miscondut in the US Governnent** today and that history the Donald Barr era of JFK in the Whitehouse with an experimental monkey that years later would also include a conspiracy at Dalton with Jeffery Epstien, and that these were related to sleeper candidates with CIA and DOD backing to infiltrate foreign national politics JFK and RFK objecting to the plans. These plans included blackmail, assasinations, discrediting operations, and other illegal actities thought a neccessity in the Cold War. Many experiments in genetics were done at the McMartin preschool (and other CIA black sites) to study child development, child testing, recruit promising children into adopticve families, and some this in the Mind War programs of Micheal Aquino.
- **→ That the reason a child from McMartin Preschool is being discredited and attacked in all locatoins is McMartin Preschool is tied to Johhn Foster Dules, ALlen Dulles, V.P. Nixon, and covert research in child developmen of children no one other than the CIA knew the true identity of.** Glorain Donegan was one such person. It is Ed Donegan's belief the Donegan family through Robert F. Kennedy, Paul Schrade, Dean Rusk, Thorkill Kristensen, George Ball, and others allow ATomic Testing DNA to be used and that military medicine protected the identity of expermential world wide DNA programs for space research and other programs. JFK would be assasinated over the actions at McMartin preschool because of child abuse in those black sites (there were others) and from those black sites came many US leaders today.
- **→ That because the real issue is that people in postions of power today were products fo the Cold War those like Jen Moore, Gari Cardori, and many others have been "silenced"while trying tell this history:** That the child abuse was stressful abusve of children, not selling sex slaves to George H. Bush nor to Bill Clinton.

Harrassment False Allegations Threats Break-ins False Credit Reports False Crime Reports

It isn't just slander, racketeering and even just simply the murder of Jen Moore following the murder of Veronica Hoffman. It is an ongoing Demostic Terorrism operation who for the same reason JFK, RFK, and others were targeted the DOnegan's were targeted, and the purpose of subjecting Ed Donegan and Veronica Hoffman to profound and violent crime "plausibly" denied the cover up of the Mk-Utra continues on today, today more illegal racketeering operations violating many if not even most of Racketeering laws and constitutional protection for all including constitutional protection for un-housed and the most recently un-housed homeless biographers of V.P. Nixon, Goerge H.W. Bush and Suharto, and the failed JKF plan for Sukarno a plan that failed first with the McMartion school disaster and hidden identities research by MK-Ultra behavioral reserach. Marilyn Monroe was going to tell all, Holt family and Giancana family did tell all, JFK and RFK were going to tell all along with Paul Schrade newly meeting again in Los Angeles, Ed Donegan and Jen Moore are or did tell all, and MalcomX and Dr King either or both may told all, as with Dorothy Killgallen and more.

This I reported in 2018 that the SAME frame job now using (and even into 2026) an impersonator of me to confess to what LOOKS LIKE THE TRUTH is a false flag. What makes it work is conservators of Donegan assets will pay out liabilities incuured by the false-flag operation in the identity of Ed Donegan. And Ed Donegan as that identity (not his own actual identity) will incite the blacklisting from appartments and all else of Edward Paul Donegan.

❖ Document Jen Moore had in her hands (one of them like others smoking gun of Domestic Terror cell)

The Domestic Terror Cell was based in the Cowardice of (and ignorance) of the US Military. Part of it was my not important (but bitterly contested) IQ varied around the world and this rather then Systemic White Supremacism of White Majority Countries should be part of the calculus, and that influences in the Genome Program by the Congresional Black Caucus that included Barrack Obama Jr (and later proably Kamala Harris) were soft-seller or denying a gentics factors and I was labled a Terrorist. I was assigned an all black (13 of 13 US PHS Dept of Defense prison team workers to treat my white supremacism. During that time in a phone call I expressed to

my mother my belief in republicanism like varius territories sending repts toa Continental Congress type assembly to negation the creation of a Federal State based on Federlism. This became the agenda of Patreus. He like the Stoic PHilipher Book Worm Mattis coppted all I had ever done while have been under arrest. Jen Moore repeatedlby bitterly expressed her hatred of public figures coooptiong me as I slept on sidewalks in publci trhying to continue my writings.

A pernicious Blackmail/Extortion ring has formed. The complexifying elements are that

- **➞ The allegations that this operation in California Using Lori Cox and others is ongoing and tied to the death of Veronica Hoffman is mostly on Page 3:** The impersonators (using my name and identity to fabricate events and confessions) themselves are both engaging in the despicable conduct and agreeing to be blackmailed socially by dominatrixes who will “punish them” by making them give money or other assets to blacks. “Domination is not prostituion.” The embezzled money is turned over to “above board” dominatrixes such as Kora Kaine, Anastasia, Veronica Hoffman, and adult toy suppliers in a monely laundering operation

- **→ Jen Moore repeatedly mentioned she had these and other documents of Idnentity Theft, Racketeering, Break-ins, and other operations as vigilantism to destroy and bilk the trust fund of a JKF witness was repetively in her videos that she was going to do something about and show a US history of Deep State murders and assiantions.:** THis conent from Jen Moore is most Jen Moore archived videos.
- **→ This data included Bodies in the Bath Tub Arson proof, and other asserted murders by then including Floyd Simpson:** Events were being faked and investitgatory interests in Ed Donegan were being faked because excuses were need to sabotage, discredit him, destroy him as he struggled homelessly to write his books and get the truth out dispite the US Secret Service operating to disrupt him with false allegatoins.

”

> Associative (circumstantial) evidence is evidence that links a person, place, or object to a crime or event—but doesn’t directly prove what happened. Instead of showing the act itself, it builds a connection that suggests involvement.

❖ Associative Evidence that I am a peeping tom when it is the police who are peeping at one time Goth clubber me and other adult clubbers

“

- **→ The program fabricates an investigory interest :** Defining me as an escaped convict, and escaped mental health patient who remains on the loose only by being able to hide, linking me to nooses, building bomb materials, buying (or trying to) size 13 combat boots and automatic weapons online (Jim Volcka did this) Dopples of me in 88 or US Flag on the shoulder of the sweater "Patriotism." The dopple acting like this in my presence are on the thousands fully backed by law enforcement.

- ➞ **Sexualality insophistication:** The doople of me has never been in any regular life of normal society and while in normal society not knowing how to fit in and not able to socialize seeks wardrobe malfunction and in inapproiate ways harrass and pester women in the area incompetently in out of place activities and any place thisd peron can find any women to ever make a desperate attempt at. Often this is a skid-row derelicte, vagabond, prison parolee using the name John, Sam, or perhaps a few othes. One example is a mid-size one time bar owner living in a homeless camp with Danny and me on the US Courthouse border with a construction area. He walked up and down the streeet offering "money" to any woman nearby to meet his needs.
- ➞ **Intellectual insoshistication:** The operation often uses high ranking milatary, legal, and press to study me while I am treated as a homeless person with delusions of granduer in my writings and beliefs, and for believing I once worked in high-tech office work. The looser of me tries to make up information about that very long ago perioed of rumpled suits but can't think of any ideas.
- ➞ **Associative Evidence by Pilfering and Planting:** Using pilfored items taken from me, my home, my laundry allows those have those items to be linked to my identity. Can be prescription glasses, Johny Rocket MoTo Jacket, safety gloves, gym shorts, coffee maker or couch from a previsou apartement. Place items are victims in my area acting out being my peeping tom desires or children's underwear placed into my laudnry, into my home our directly outside my window, etc.,
- ➞ **This is Law Enforcement Creatign the Call for Themselves to enter Strip Clubs and INterrogation Scenes:** I think I was made a non-investigatory (no lawless activities) but High Value target, a person others (who themselevs had said their "true motive was jelousy" to surviel, coopt, and discredit my life. So why if I am also allegted to be in illegal actoins? The police fabricating basis for subversion of me is that Jen Moore report as JKF Witness intimidation and supression. It is the "cabal" of those in power now taking illegal actions (as usual) against Jen Moore and me trying to offer 1950's evidence, and why the Donegan's were chosen as a family to participate in MK-Ultra Indonesia.

”

❖ **Evidence I had and Jen Moore had showing the Peeping Tom Ring peeping first at children then being peeped at by glam dominas WAS NOT ME only areas NEAR ME and by people near me using my identity.**

“

- ➞ **Missing Moto Jacket:**Here is the video of an operation (some of them say Eric Holder and Kamala Harris are their autorizers) are stealing my items or using items similar to mine to steal my identity. The perpatraton in my identiy is also foiled again by police and glamorous teams thie allies catching the dopple of me predator. I assert 25 dead from this Identity Theft ring dating all the way back to Veronica Hofffmam and when I showed that Veronica Hoffman evidence and Jen Moore gained access to it Jen Moore was killed because she had the identity theft operation proof I had made taping those not knowing they were being taped. In this one example of many William Ruiz stole my motorcycle identity and also used other fraud tricks to steal my identity and peep at Californi Montery gym women in the shower.
- ➞ **Unwanted Leering Opportunity:** I had been raised as a child on Coatal California Manhattan Beach City, Los Angeles County a block or two from the beach, went to preschool almost on the beach Manhattan Beach City McMartin preschool, live on Cape Cod, Marshfield Massachustes as a boater, and an am outdoorsman. Simply being at the coast in California on a Motorcyvel trip to relocate it was staged that my REAL REASON was being their is this blonde beauty so blond and beutifual to leer at coverttly film. I of course figure she was rather leggy teen but so what, this was being conveyed messaging that I was using public spaced to peep.
- ➞ **Many Other Videos and Documetns on My Channels and Tom Dumah Channels of this Identity Theft Fraud:** All of these June July Aug Mr. Titsworth files reached Jen Moore, Jen Moore knew is was racketeering black market crime by police operative willing to kill to keep the frauds from being detected or proven to exist. OANN will NOT explain the REAL reason Jen Moore was assasinated.
  ❞

I believe I have a supscet in politically motived subversion Crime Ring and it has to do with acts of violence including frame-ups directed at Ed Donegan and others who have konwledged of the Cold War events of Indonesia from their family histories. Because the activity was covert and the records destroy only family oral history, diaries, and other information exist now 60 years later and continue to today April 20, 2026. I had begun writing and offering for sale a book Pillory: Tools and Fools of the USA a fictional work on Robert F. Kennedy. I had already written three books on the JFK assinstion and Col. Fletcher Prouty plans for Indonesia.

A pernicious Blackmail/Extortion ring has formed. The complexifying elements are that

- Emezzelers have captured funds into bank accounts tied to them but falsy claimed are actually mine use Identity Theft and other Fraud tactics to hold, and money launder the funds due me but held by others. I have no verbal, financial, or any another account of the financial accounts but others use identity theft to create the cover story I am aware of the money and I am spending out of it. Chris Lloyd of Orinda California appears central to this illegal scheme.
- Identity Thieves are using impersonations of me to engage in despicable and politically defaming conduct. PICTURED A bike other than my bike, but of similar description, in an otherwise empty parking lot, is spying on women of the gym. Golds Gym Corpus Christi. Rarely and non-exploitatively I do use a forward facing dash camera to tape scenic motorcycle rides on MY motorcycle, not the one pictured below.
- The impersonators themselves are both engaging in the despicable conduct and agreeing to be blackmailed socially by dominatrices who will “punish them” by making them give money or other assets to blacks. “Domination is not

prostitution.” The embezzled money is turned over to “above board” dominatrices such as Kora Kaine, Anastasia, Veronica Hoffman, and adult toy suppliers in a money laundering operation to semi legitimate businesses or donations. [added 2/15/2022 or seem like legitimate assets seizures of Ed Donegan's trust fund based on the acts of the person who stole the identity of Ed Donegan and used that identity in St Louis or elsewhere.}]

- Public spectacle staged photos (along with phone hacking) create the appearance I am aware of the embezzled misused funds. For instance I have only a motorcycle. If I consider buying a car an look for one or request one from my trust fund, vehicles I am considering will be driven near me, pause, then drive away as though I am examining them. I conjunction with this unrelated spam phone calls will reach my phone making it seem I am being asked to authorize and am involved in some vehicle purchase which I am not. Without out accounting to me embezzlers will buy the vehicle as though authorized by me, keep it for themselves, and conceal it from me. (Corpus Christi Toyota 4Runner or Chris Lloyd Porsche, or real estate such as in Missouri, Moraga California, or Corpus Christi.
- At Points of Sale cashiers intone some “good times” are being bought in addition to groceries from some planted female. I suspect a second transaction (not the legitimate one I make) is later made by an impersonator of me which will access the embezzled account rather than my account. The impersonator will then leave the store or gym with the planted female for the “good time” although the innuendo was said towards me at the point of sale.
- There is law enforcement or Secret Service, DOD, or other internal law enforcement support based on what I have been told by at least 9 people. In ErosX (My identity is crossed out with someone elses) black sex offenders, black foreign nationals, and junkie white trash or other tatooed prison felons have been setup to receive stolen or embezzled property, telling me they were hired by the DOD to do so and in fact they have used names like "Harvey Dent" and "Casper." I do believe this is slush fund related corruption and in international RICO scheme.

ONE EXAMPLE WILLIAM RUZ

A Motorcycle jacket [aka Ruiz "Rocket" Johny Rocket the Trust Fund paid for was stolen and a chair I sat in moved, both to a location I was not at so an impersonator could use those items to establish an identity of me and shower peep.

Verbal narrative but vaugely so was added by William Ruiz that while in my motorchycle jacket I was using remote moinotor equipment to watch women shower.

[Safety gloves were also pilfered and thieves encourage to pilfer from me are encouraged to do so in ways that harm my progress towards important goals or safety, the FBI scheme of disrupting a person's life)

HOW PARTS OF THIS HAVE UNFOLDED (I was in a Home Depot looking for piece of wood for a cat play piece of furniture and walked out the Corpus Christi Home Depot without a purchase. That weekend an identity thief with email, age, birthday near me, but unrelated to me, bought property for a rental property I have nothing to do with or accounting of, but is owned by and Identity Thief of me.

The picture of me not buying anything in Corpus Christi is fused with something at a different GPS, a purchase by an identity thief, for a fake record that I did buy something when in fact an identity theft bought something from funds and an account not disclosed to me.

I was in Corpus Christ, was visible in Corpus Christi Texas Home Depot, and nowhere near Missouri Home Depot.

Photos of where Dopples of me operate, Arsons to those areas afterwards in sevarl cases, and the misspellingg domain confusion or brand confustion tricks to hijack my identity and move to elsehwere with it where other events not tied to me in reality will unfold.

Tom Dunham, myself, and Veronica Hoffman were all in that scene and attending events together.

---

*Arson and murder at locations FAKE ED was blackmailed at.

*Myself, Tom Dunham, others, swept up in alledged sexual misconduct white dominatrix will blackmail real EDWARD PAUL DONEGAN over. Ed Donegan enslaved as needing help of thirs parties who will concede to the blackmail, and not tell REAL ED DONEGAN they are [both manurfacturing] and conceding to blackmail. *The social justice advocates are the real recipients of the money laundering/blackmail since it will be used in their social justice causes.

Pictures of Doppples of me peeping with similar affects (similar motorcylve, similar clothes or clothes stolen or hijcked from me) who will later confess as me to peeping though behind my back to an asset manager of mine

> Under the Racketeer Influenced and Corrupt Organizations Act (“RICO”), extortionate conduct is not limited to the prototypical use of force or threats to obtain property, but may also encompass the collection of an “unlawful debt.”

Congress expressly incorporated the concept of unlawful debt into the statute, recognizing that certain financial obligations—

though styled as debts—derive from inherently criminal activity and therefore fall within the ambit of racketeering enforcement. See 18 U.S.C. § 1961(6).

Although unlawful debt is most frequently associated with obligations arising from illegal gambling enterprises, courts have interpreted the term more expansively to include debts connected to loan sharking, fraudulent schemes, and other illicit extensions of credit.

The statutory definition captures not only the underlying illegality of the transaction, but also the improper methods by which such obligations are imposed or enforced.

Moreover, RICO liability may attach even where the proceeds appear to flow through an otherwise legitimate business.

In certain circumstances, profits or market advantages obtained through an unlawful enterprise may be treated as tainted where they result from racketeering activity or systematic fraud.

Thus, the concept of unlawful debt extends beyond traditional street-level extortion and may include sophisticated abuses of institutional mechanisms, such as the fraudulent invocation of judicial processes, the submission of fabricated evidence, or the manipulation of accounting practices to obscure or manufacture financial obligations.

Accordingly, the collection of unlawful debt under RICO reflects Congress’s intent to reach both overtly coercive and

structurally deceptive methods of enforcing criminally derived financial claims.

He said he was hoping to fly back to Los Angeles the following day, to meet Veronica's family — some in nearby Santa Barbara and others coming in from Texas and Georgia — to organise a memorial service for this coming Saturday (August 8).

She had already attempted suicide once, he revealed, but had been saved by a friend who was staying at her dungeon at the time. "I took her to Cedars Sinai, where they adjusted her medication, and it looked like she was getting better," he said. Unfortunately, it seems that the improvement was temporary.

On Sunday, with Joseph in Toronto, she took advantage of a brief absence of the same friend who'd saved her before and was still watching her, to make a second suicide attempt. Sadly this time she was successful.

She would have been 30 in November. She was one of my dearest friends; life without will never be the same, and I know many others will feel just the same.
Accordingly, we are now planning a Fetishistas celebration of Veronica's brief but stellar contribution to our world — a reminder of her capacity for brightening up so many lives despite the demons she battled.

We therefore invite photographers and models who shot with her and fetish folk with entertaining anecdotes about her (and boy there must be plenty of those!) to participate in our tribute.

Please send your Veronica stories and pictures to tony@thefetishistas.com and we'll publish as many of them as we can. Thank you. TONY MITCHELL

Identity Thief and Account B
The theives will use my Stolen Identity and monbey embezzled from me to spend on themselves in my own name.
The places used by Identity Theives have included units I do not live in at apartment complexes I do live in. The "found stage" units where the identity theft has been done have a tendency to catch fire and I think the arsonists were covering their tracks.

I am rebuffed based on falsified information used to create hostility towards me (A person working with the identity thieves will pretentiously ask me if I am OK, as though as though someone should take over my contact with that woman.

Creating a fake human trafficking ring on social media

From Tom Dunham's site Molestquote

There seems to have been a feedback loop between my neighborhood, and my work at SelectQuote Insurance

> Around the time a woman was breaking into my apartment, various allusions to this event were made at SelectQuote Insurance.
> The method of entry suggests theatrics were planned from the get go. The keys left hanging on my window didn't open anything, but were probably there to suggest that they opened my door. The woman probably had a master key, but conceivably could have picked the lock while pretending to use the keys as well.
>
> I was given a fake rock for hiding keys while on the job at SelectQuote around this time. Just out of the blue. I was also warned to change my locks before my then estranged wife got back into town. Which was exactly when the break-in took place.

Nixon JKF assassination and Watergate Cover Up about Indonesia plans 1953-1973

- ➜ It is said that Richard Nixon became Dwight Eisenhower's running mate through a backroom deal.
- ➜ Harry S. Truman was succeeded by the Eisenhower–Nixon administration.
- ➜ As Vice President, Nixon allegedly ran National Security Council oversight related to the CIA.
- ➜ In 1953, Vice President Nixon is said to have formed a relationship with Suharto.
- ➜ Zapata Petroleum (CIA linked) in 1953 and Zapata Off-Shore in 1954. The Miller Center says Bush became president of Zapata Off-Shore in 1954 joining United Fruit Company, International Rescue Committe, and others.
- ➜ In 1960, John F. Kennedy defeated Nixon in the presidential election.
- ➜ JFK and RFK are portrayed as backing Sukarno.
- ➜ JFK was assassinated, and LBJ may have been complicit, according to this theory.
- ➜ Nixon later gained the presidency, and a cover-up of the JFK assassination was allegedly underway, with Watergate tied into that process.

The Pillory theme was was the Pillory of me by Slander, the attacks and death threats I recived, the Calulated False Alegation were thoughtfully desigend to discredit me reversing the actuall truth, forming social lynch mobs, pay out false allegations through a racketeerign trust fund (one that had political connections) in coordinated illegal use of harrassment techniques against me. Both the Great Treason about death of JFK and how this was tied ot Idonesia (including the parents of record of Barrack Obama Jr) and Written By the Right Hand were alreay self published and under constant revisions and additions.

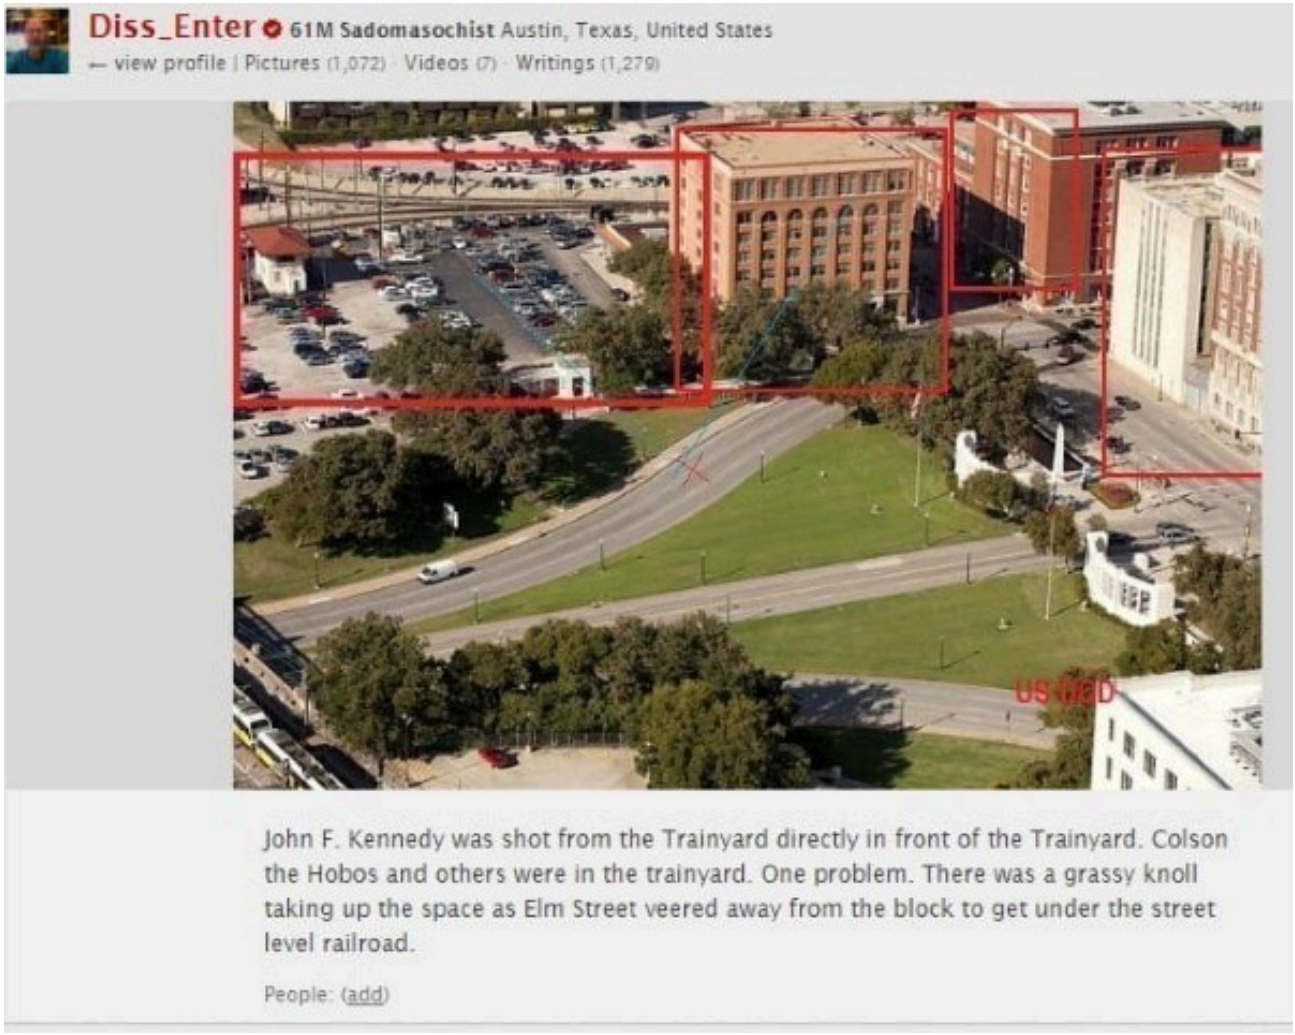
Written By The Right Hand:

The Right Hand Operatives of the Cabal and the Dangerous Job They Undertook of Exposing its Secrets

The Efficiency of the Scalpel

If the CIA and its allies in control of the world are to be understood we must understand surgeons and surgery. This also explains the attacks on me Edward Paul Donegan, the Kennedy family, and witness to the events of the assassinations and the conflict between Allen Dulles, JFK, and the Irish Roman Catholics facing off against the The Special Relationship and that is to say USA and GB with the Vatican, elite controllers of the world, and the Global Devil's Chessboard. JFK had to be removed an surgically was. Similarly my family has been wiped out and others like mine are being. This is the efficient, quiet, and quite dirty system of alterations to the Body Politics of the USA to gain control of it neither killing it completely nor allowing it automous control nor admitting to the changes.

The Gunshot in question came from the Trainyard but the motive came from far outside Dallas, Texas



Diss_Enter 61M Sadomasochist Austin, Texas, United States

John F. Kennedy was shot from the Trainyard directly in front of the Trainyard. Colson the Hobos and others were in the trainyard. One problem. There was a grassy knoll taking up the space as Elm Street veered away from the block to get under the street level railroad.
People: (add)

In Scene of the Crime the Dallas School Book Depository is boxed in red. I put the red line markings ona picture I grabbed fro elsewhere. Chauncey Holt confirms what the witnesses said and Lee Bowers Jr in the Trainyard Observation and Control Tower said. Unusual activity was in the Train-yard and shots seemed to come from there. The Hobos and Holt was one tried to escape inside the trains a Hobos but Lee Bower Jr. had the train stopped and them removed. They the Hobos showed faked federal agent IDs and with General Edward Lansdale's help at the scene they were released without being investigated. There is nothing disputable in this compare to other crimes. The top experts in identification who did not know Holt and others

> confirm Holt's story and Prouty (in addition to Lois Gibsson) can place visually by knowing him Lansdale there with the Hobos one of which was Holt. Only the political corrupt keep this as an unsolved crime and part of the failure to solve the crime was the use of Oswald as a Patsy and killing Oswald to create fake trail and end that trail cold.

By Edward Paul Donegan integrating the fabric of history in their interlocking corroborating tell-alls and integrating in the Donegan family history as well. Similar to Chuck Giancana and St. John Hunt I have been in a family closely tied to events but until know it has been a missing piece central to but not visibly revealed in the entire puzzle.

Jen Moore and I both get death threats and those giving the death threats they have high-ranking D.C level connections

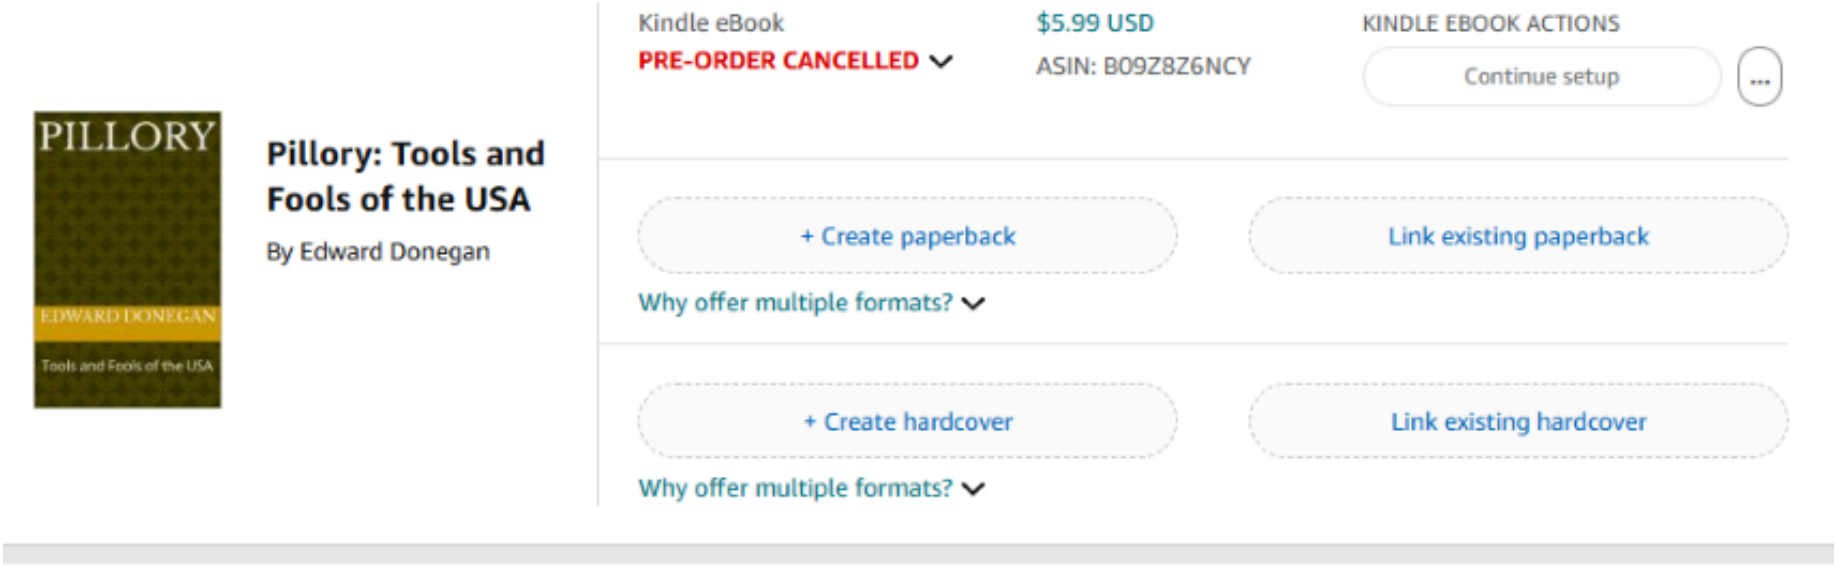
Pillory - Tools and Fools of USA is at Motel 6 - Austin Central/North.
October 7, 2022 · Austin
Rodney Dukes does scrapping, pickup labor work, etc. It would be nice if there was matching funds for funds working poor eam



Multiple people and accounts of events and evidence of those events show a Dopple of Ed incures liablity an organization positioned to defraud is willing to honor.

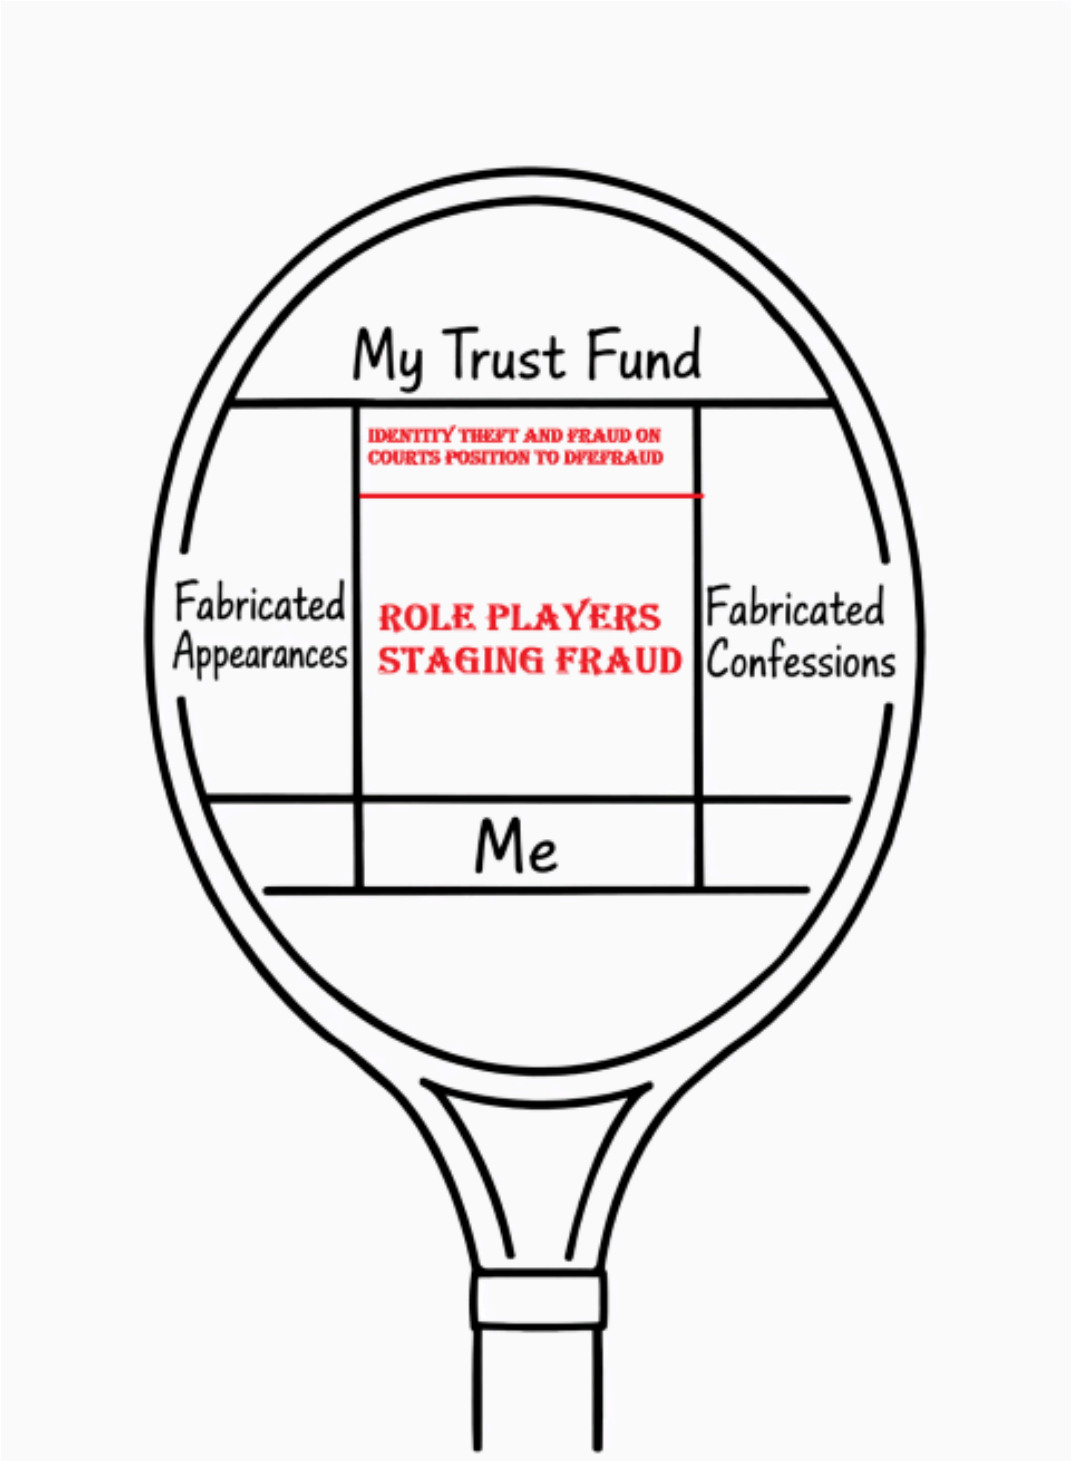
What was Jen Moore asserting along with Ed Donegan in June July August 2018?

Frame Ups and Identity Theft in furtherance of Racketeering. The scheme as dirty-tricks often uses Associative Evidence enhaned by Frabicated Evidence. I am "invited to" or need to use a cot or apartment number or something like that for legitimate reason. That is extorted because that location (or item I am linked to) is used in the commision of some type of crime or tresspass agasinst someone and I am associated with the location or some item tied to that activity. That is circumstantial but Identity Theft used in the legal system or abritrations create the appearance of guilt.

By linking me to things I am not involved in that links peole and events I am not involved to my trust fund which covers liabilities for those events.

Creating a Protection Racket Mark Gonzales along with others framed every thing about me including balancing on the bus for fun along with his Mexican American fan base. Most of the people surrounding him surrounded me then and today and call themselves my "goth family members" often making reference to my genitals and gigling in Spanish, a lews harrassment scheme. He also used I think the White library as well as Nueces DA office to be seen pensivly looking out windows to consider life, etc., This continued from then until now with the Marshaling Yard, Julio and his wife, and "Salsa" and "Egg" who said they have polilkce relatives and say they now may famiy grow fund family too. They would make a point of Goth affections I don't think I ever had used myslef but had known about since the 1980's.

If you want to know why Nancy Guthrie is dead, why George H.W. Bush is a hero, frame-up using call girls are used to try to sexually humiliate me as child seeking sex offender (because that its the best way to silence a George H.W. Bush John Foster



Dulles killed Kennnedy John, Robert, Micheal L kennedy, Sonny Bono, and others) start with them.

Bodis in the Bathtub and the arson will not be investigared, Sextortino Raceketeers will not be arrested because Texas is a human filth dupster and these human waste cowards are the dumpters best fit. It was Texas cars that Stalked me all through Califorinia, recurited role-players to keep me homeless in California and elsehere, and these cowards continue the coverups including the murder of Nancy Gurthies and the Racketeering and even poisonings carried out in Austin Strip clubs thar are the primary home of Fire, EMS, and others usign stages to stage what is not true rather than what is true. Each and every one of my books calls out the filth trash cowrdaice and lice of Texas law enforcement, and I will continue that as I continue to align the truth with the Color ofLaw commision of crimes (in furtherance of Obstruction of Justice) crimes to silence, defraud, threaten, and coerce Edward Paul Donegan.

My books also show and is archived on this disk underwear stain Mark Gonzales and his "community" created the arson that included burning the bodies in the bathub most likely the Talloid basd on the bleach soaked XXX Tall shirt left at the scene, that Gonzales friends and family members were in break-in to my 1001 Water street home and the coverup of that, and like Gonzales and the DA's of Jefferon/Travis defrauded the leases I did sigh and fake my credit so I would write my books in gutters, under bridges, etc., while thughs threated to kill me including the day I bought a computer (Danny and Virginia.)

I had thought one of the most diffiuclt things I would do in going to Dallas would be the imags of Lee Harvey Oswald being assasinated by the filthy worthless stench of Texa Law Enforcement, and of course Jack Ruby was killed in Dallas custody. Rather than me leases being excuted into performance they have been broken to make it easier sielnce me. I belive that long before Nancy Gurthrie went missing just as all my mail was being stolen and Nancy and I represented the same threat to the Deep State, confirming everyting Jen Moore ever said before she was killed.

❖ THe allegations

“

- **→ In June I moved in with William Ruiz who I have recored and gained screen grabs of text messages etc., showing fraud:** THis matched earlier fraud at Gold's Gym Sout Staples, Corpus Christi, Nueces County were I was framed in the gym by harrassing role players. I had Youtube videos, documents in MS Word I wrote at William Ruiz and began passing out in June 2018 throgh August 2018. Wideranging evidence Mark Gonzales and police overwatch wanted to peep at Victoria Secrets models (in at least one case) very legging bondadage and discipline role plays. Filmed by one way mirror a Dopple of Ed Donegan offers up his money for allegeg crimes to be forgiven. At the South Staples Street location I had left I assert murders had occured including of a child visible in the scorched bathtub and Bobby Courtney, Jimmy, and others were killed by that same operation as several other may have been Jay Thomson Tacos NOt Bombs and Police Chief Floyd Simpson.

- **→ That Veronica Hoffman was killed after that same shake down in a dungeion scheme.:** I was asserting to law enforcment and business owners the deaths in Corpus Christi frauds from Mr. Titsworth gym manager (both Austin and Corpus Christi) matched the death of Veronica Hoffman of Los Angeles and another Californian Tom Duhan like me had evidece of the Identity Theft and Money Laundering operatoin operating under Color of Law inclustig Treasury dept.
- **→ That unfair slander and blacklisting and breaking leasing arrangements was to keep Ed Donegan single, homeless, isolated and possibly dead:** In Corpus Christ (dispite the press happily part of the surveiallance of me) as with today the threats continue when I am writing my autobiograpy. Jen Moore asserts frame-ups are to cover up the Hidden Identities of the Donegan family and the history of the JFK assaination, John Foster Dulles and ALlen Dulles and others.
- **→ That the Hidden Identies of the Donegan family were Project Paper Clip:** This included mulit-generational research of Nasi refugees and studing a diseas in famous families, Organic Borderline Pesonality Disorder, which diffres from but can be worsened by Complex Trauma Stress Disorder making an abuse person even further traumatize by mocking, constant threats, Rough Noise, etc.,
- **→ That this was not really about Ed Donegan but covering up how the McMartin preschool and Franklin NE were tied inot the Kennedy assainastion and sleeper agents sent abroad as children:**
- **→ That she had been to a press conference on Seth Rich and that this was Podesta and Elefantis connected**: These names come up in Conspiracy Theories including Pizzagate. At a pizza shop Maya Harris and her husband Tony West a MofO partner and Obama for California campaign manager, and others cospired to solicit children that would be used in frame jobs and recruited from connections found in Pedo D.C., area. She believed the murder of Seth Rich was to cover the trail of that meeting, a stolen DNC server she though she had the identity of the theif, and other political connectsoin including Eastern District of Virgina state mental health and detenion along with federal workers under Jessica Aber at that time.

Much of what Jen Moore was talking about (Siezing "the money") in Sextortion durress caught on tape my from the one way mirror and mike I assert had depended on Judge Roll dying 7 years earlier when Glorian Donegan died and it seemed siezing "her money" had begun three years earlier than her death, about 2008 when her ovaries were removed. It according to Russian intelligence the Obama adminstration had Judge Roll assasinated to protect the asset siezure scheme that as proposed would use limited evicdence to gain the

assets, not higher evidence standards. What is interesting in 2011 is that exactly when my mother died and I was tyring to find her will from Elder Law Partners the Navy Yard shooting broke out, EXACTLY as I had dialed Eldler Law Partners. As for Eric Holder and many others and various known an unknown Deep State operatives in the NSA or elsewhere, this is what Jen Moore called the Pentagon's Pizzagate the Andriew Breitbart and Micheal Hastings had been investigation, and was tracking Pentagon officials and had named a Whitehouse official as an Obama element in conspiracies. I will assert the Boston Bombing is suspicous, plans to used frabricated cases to get the "money" are the stories the press will not cover, Sextotion Blackmail under Color of Law, the poilce fabricate cases using relatives as role players and other mentally ill or immigrant role players. Jessica Aber become invovled with the scheme as did Secret Service.

Donald Trump's first term (January 20, 2017 – January 20, 2021) was contentious and Jen Moore felt Flynn was part of this in Whithouse level politics and the selling of "pizza" in staged role-playing events. She wanted Trump to take on this issue, but he and his adminstration did not do then or after nor today. Following Lt. Gen. Michael Flynn's departure as Director of the Defense Intelligence Agency (DIA) in 2014, he was succeeded by Lt. Gen. Vincent R. Stewart. Stewart (Jamacian born, now deceased) took over the role in 2015, becoming the first Marine to lead the DIA, following an interim period after Flynn's departure in 2014. From what I had read Gen. Stewart spent time at the FBI accademy on threat handling training.

What we get publicly is surface level news, but many have suspected the "alphabet" agencies in very covert programs, many surround Donald Barr at Dalton (and I think tied to the Indonesia plan and placing Obama in Indonesia) and Jeffery Epstien, and later William Barr who ruled the Epstied death a suicide, but again the public isn't bein given much on this reporters close to any of these stories make more headlines in their deaths often than their reporting had earlier.

This scheme of fabrications, double enteders, idenitty theft and role players was run Jim Vokecka and William Ruiz and is this scheme Jen More was killed to protect, that this was frauds rooted in the Pentagon and DHD/FBI who were calling the shots, placing the actors, etc., and how had the power to kill via intermediareis and other techniques.

The file is 2July2018JenMooreRitualAbuse.jpg where actors ritualisticaly fake photos, fake scenes, and taunt and mock a person with slander and abusive assertions as bullying. People doing this have Top Secret security clearance, are using it manufacture Child Porn,

and using FBI Contractors (perhaps like Dominion legend Security Group) as the operation. I was told Eric Theoboaux he had FBI contacts and pointed a few out, and seemed to be among contractors working on the frame jobs.

I met briefly with this guy. As I returned for the gym bag I forgot, only available bag at Santa Cruz thrift store I could afford, I saw what seemed to be an entertainer arriving I crossed paths with. At time I was returning I thought I overheard a comment from him I may be an nsa surveillance survivor. He did not take my case against nsa. I continued to contact him after that meeting by calling the morning of 4/16/2021. I spoke to him I alleged a cartel moving assets (biological and monetized) between charity causes under false pretenses as well as under modified conditions of being granted trust fund assets of Glorina Donegan. He did not with to pursue the conversation with me and after the call and prior to another call I was going to make to different party but on the same money laundering matter I found a voice mail from Mr Mata deciding not to take my case I both solicited TJ Henry as litigant against the NSA and illegal Unitary Executive black budget black operations funding dirty war for free masonry around the world, Glorian genome the source of the funding and operations of the mole driven large scale coverup of the JFK murder by trying explain via fraud why certain lineage chess pieces are not being found on the chessboard where they are expected to be or authorized by family members to be..

All these reporters asserted first hand knowledge a true conpiracy existed at the White House level and very high levels inside the military.

Ted Gunderson asserted "rouge military units" in large scale vigilantism is silencing trugh tellers, few beleived Gunder when he wrote about Mcmartin preschool 1958 - in Manhattan Beach city that I went to.

Michael Mahon Hastings:

Michael Mahon Hastings was an American journalist, author, contributing editor to Rolling Stone, and reporter for BuzzFeed. He was raised in New York, Canada, and Vermont, and he attended New York University. Hastings rose to prominence with his coverage of the Iraq War for Newsweek in the 2000's. Born: January 28, 1980, Malone, NY Died: June 18, 2013 (age 33 years), Hancock Park, Los Angeles, CA Wikipedia

Like Andew Brietbart Hasting was (with Victoria Windsor of the POst Mail) researching the Mombasa birth certificate and true origins of Barrack Obama Jr. I assert the real birth of Barrack Obama Jr. was in Los Angeles, that JFK was their at Peter Lawford's home, was

tied to Marilyn Monroe and her death, and is connected to the CIA cover-up of the true US AID origins of the CIA Obama Family.

August 9, 2009 – June 30, 2010

Jen Moore' final days in August 2018 and Jessica Aber and others, the Secret Service continuing coverup for the Podesta and Obama Deep state, about racketeering of "*the money*" and identity theft, slander, racketeering, and earlier murders that cover up cold war war events, murders still ongoing.

She knew the job was dangerous. Just as former CIA Directoy and reformer William Colby had warned.

Jen Moore asserted the FBI was infiltrated and these allegations of The Mule Mueller were made by Gene Chip Tatum

Glorian born the USA with Joseph Kennedy Sr. help was given fake identity in the location of Dean Rusk 1926, Denton North Carolina.
- **→ Pillory:** just the severe retaliation and targeting and silencing and threats and ruining of lives and setups and frame frame ups and entrapments and you name it if we hold the secrets they want us quiet and they are damn determined to make that happen. Everything that is said or known about me has been faked by a politically motivated Stalking operation targeting all of my rights including property rights for racketeering. That the main method of this is falsifying information about me, discrediting me, even threatening to kill me openly perhaps a hundred times if I don't stop "snitching" in my books.

> Chauncey Marvin Holt gives a deathbed confession he was a Hobo with Charles Harrelson and other CIA operatives organized by William King Harvey and others that assassinated JFK though he asserts some like himself were patsies who did not expect the outcome of JFK being assassinated by the team he was in providing support services to the team.

A Foreign Intelligence Service (SVR) report circulating in the Kremlin today states that the top US Federal Judge for the State of Arizona was assassinated barely 72-hours after he made a critical ruling against the Obama administrations plan to begin the confiscation of their citizen’s private retirement and banking accounts in order to stave off their nations imminent economic collapse, and after having the US Marshals protecting him removed.

According to this SVR report, Federal Judge John McCarthy Roll was the Chief Judge for the United States District Court for the District of Arizona who this past Friday issued what is called a “preliminary ruling” in a case titled “United States of America v. $333,520.00 in United States Currency et al” [Case Number: 4:2010cv00703 Filed: November 30, 2010] wherein he stated he was preparing to rule against Obama’s power to seize American citizens money without clear and convincing evidence of a crime being committed.

The case being ruled on by Judge Roll, this report continues, was about bulk cash smuggling into or out of the United States that the Obama administration claimed was their right to seize under what are called Presidential Executive Orders, instead of using existing laws. The Obama administration used as support for their claim before Judge Roll, the SVR says, the seizing of all American citizens' gold, in 1933, by President Franklin D. Roosevelt's signing of Executive Order 6102, which was ruled at the time to be constitutional.

The Special Counsel investigation into Russian interference in the 2016 U.S. election was led by Robert Mueller and ran from:

- ➜ **May 17, 2017** → when Mueller was appointed as Special Counsel
- ➜ **March 22, 2019** → when he submitted his final report to the Attorney General

So, the investigation lasted **about 22 months**.

She was reporting on Identity Theft, fabrications of events and confessions, false narratives, and other dirty tricks the far left had targeted me with, and other abusive including sexually abusive acts targeting me in a campaign of harassment and abuse.

Tom Donegan and Mark Weirness were highly connected in both gay rights, media circles, and political circles. As administrators of the trust fund left by my mother for me (he was left a half the estate in non-trust) he was able to use his political base to attack me with false allegations and the "money" of the trust fund to encourage those allegations. Targeting this trust fund with false allegations (often made under Color of Law using Fraud on the Courts including Child Courts) is what Jen Moore was asserted and had the proof of as I do.

> The Better Connected the Better Connected

How Tim Kaine who met with Tom Donegan and Mark Wierness are connected and to Lina Alathari and Disruptoin of Ed Donegan

All had been or became prominent figures in Virginia's political and legal landscape and D.C. politics. Tom Donegan a gay rights activist after "fag bashing" event in the 1980's, Mark Wierness an interior designher who hoped to become pscychology practioner of creating understanding of White Hate as a subject matter scholar.

Kaine operates in legislative politics at the national level, while Aber worked in federal law enforcement/prosecution. Their paths may intersect indirectly on issues like national security, federal law, and policy affecting Virginia.

Protection Rackets Identity Theft and other abuses

Jen Moore felt (and was correct) that I had been unfairly "targeted" for a series of sham premises when the real reason was I held secrets elites wished to coverup. The excuses that were made were Protection Rackets inventing threats and under color of law protecting from the invented threats. Much this was occurring in the Wells Farg0 and AOL Netscape areas of my life yes back then. Children's underwear was planted all around such as my apartment on Natoma Street, etc., Searches, Seizure, implications of misconduct using double intenders hinting at misconduct are narrative the homeless, disabled, drug addicts, etc., are taught to bully and create false narratives with. Two such events were at Garden Terrace one when I went to an appointment to see a doctor and one when I began press contacts on 3/11/2026

Jen More seemed to be a Trump leaning former police officer who found the frauds against me and her was based on corruption, not law enforcement or national security interests. Creating lies about Ed Donegan to discredit him or others is one of the things dirty-

tricksters do to harass a Truth Teller and create some abusive postion of power over the truthteller, such as false allegations to sue the truth teller or false allegations to incite against the truth teller.

> Ruiz Rocket document archived is something Jen Moore will compliment. People did not know, William Ruiz did not know, I was recording him, taking screen shots of his text messages, gathering the identity of who stole my identity to then confess as me while in my identity.

This is also contained in a letter I have written to coroners suggesting homicide findings in the Jen Moore case and earlier cases based on each of those parties have immediate connections to me and the pattern of deaths surrounding events in my lives. JenMooreReportsMoneyLaundering.html is the file name as Jen Moore asserts a fabrications of false allegations has been in place using racketeering system of money-laundering and frauds that should fall under "organ harvesting" or "organ tissue" black marketing in a long con of identity theft. Jen Moore was correct, the proof of it operating as fraud ring included fabrications for use in the legal system are proved.

On *August 8, 2018* Jen Moore was promising to out to the public a criminal enterprise under Color of Law. On August 12, 2018 she was found dead. She considered her murder a possibility but noted the evidence would survive her, it did, and is in this archive.

Jen Moore said on August 8th 2018 she had the evidence in hand (my *August 7,1018 letter* and supporting files) of both homicides AND of death penalty level violations of rights in a racketeering scheme.

JenMooreVideosOnDirtyTricks.png GangStalking is something she will refer to in another video I will link but she mentions it in most of her videos. ,*Those who "know to much" are the subject of slanders, lies, violence and break-ins, frame-ups*, often by thugs working for civilian or even DIA military groups (or veteran's groups) or others recruited as agents. These are described by others like Ted Gunderson. The thugs use rallying cries (Nazi, pedophelia, illicit photos, terror or other plots) after creating a slander and asking the public to join them in abusing Targets of slander campaigns. A rallying cry is a word, phrase, or slogan used to inspire and motivate people to unite and support a cause, idea, or action. It's a call to action that encourages collective

effort and enthusiasm. Use of absuive allegations as rallying cries are part of Targeting. Even the mos savage of society becomes "Nobel" when enlisted to fight a Target. Nobel Savages pirates recruited by a military for help can be found on Wikipedia. GanGstalkers (often drug adicts, parolees, homeless, etc.,) faking evidence to discredit whistle-blowers DOES exist and she and I Eward Paul Donegan have cited it including on-line. Catching them fabricating evidence (while following a whistle-blower around town, etc.,), etc, is Turning the Tables on these fraudsters as originally on her YouTube Chanel https://www.youtube.com/watch?v=JC8gn-8U80E.

What lengths the retaliation against whistle-blower take

It is complex but the Donegan family had very covertly celebrity family origins and some are "buying" DNA rights extorted from the family using faked allegations to extort the sale of reproductive rights. DNA from many secretlyi participating families were studied in the Eugenics Conferences of the 1920' and even much later including in preschools.

> Jen Moore: so I’m with a group of a lot of are connected to a group a lot of whistle blowers who are also targeted individuals and *there are other people that are targeted for speaking out, soldiers and different government workers and victims*

it's a it's a very very harsh and sad story of what what happens to us and maybe sometimes we can't even get into more details about that but for now I've been telling a series of interviews on a little bit about my history but what what I learned through that and what I learned also through training in clinical psychology and what I learned in various other ways and a series of interviews that I've done through with farmer Jones on his YouTube and so I posted two of those interviews I believe so far what I'm gonna do on this one is I'm gonna post all four that I've done so you can listen to them in succession

it really goes into all the way back to World War I

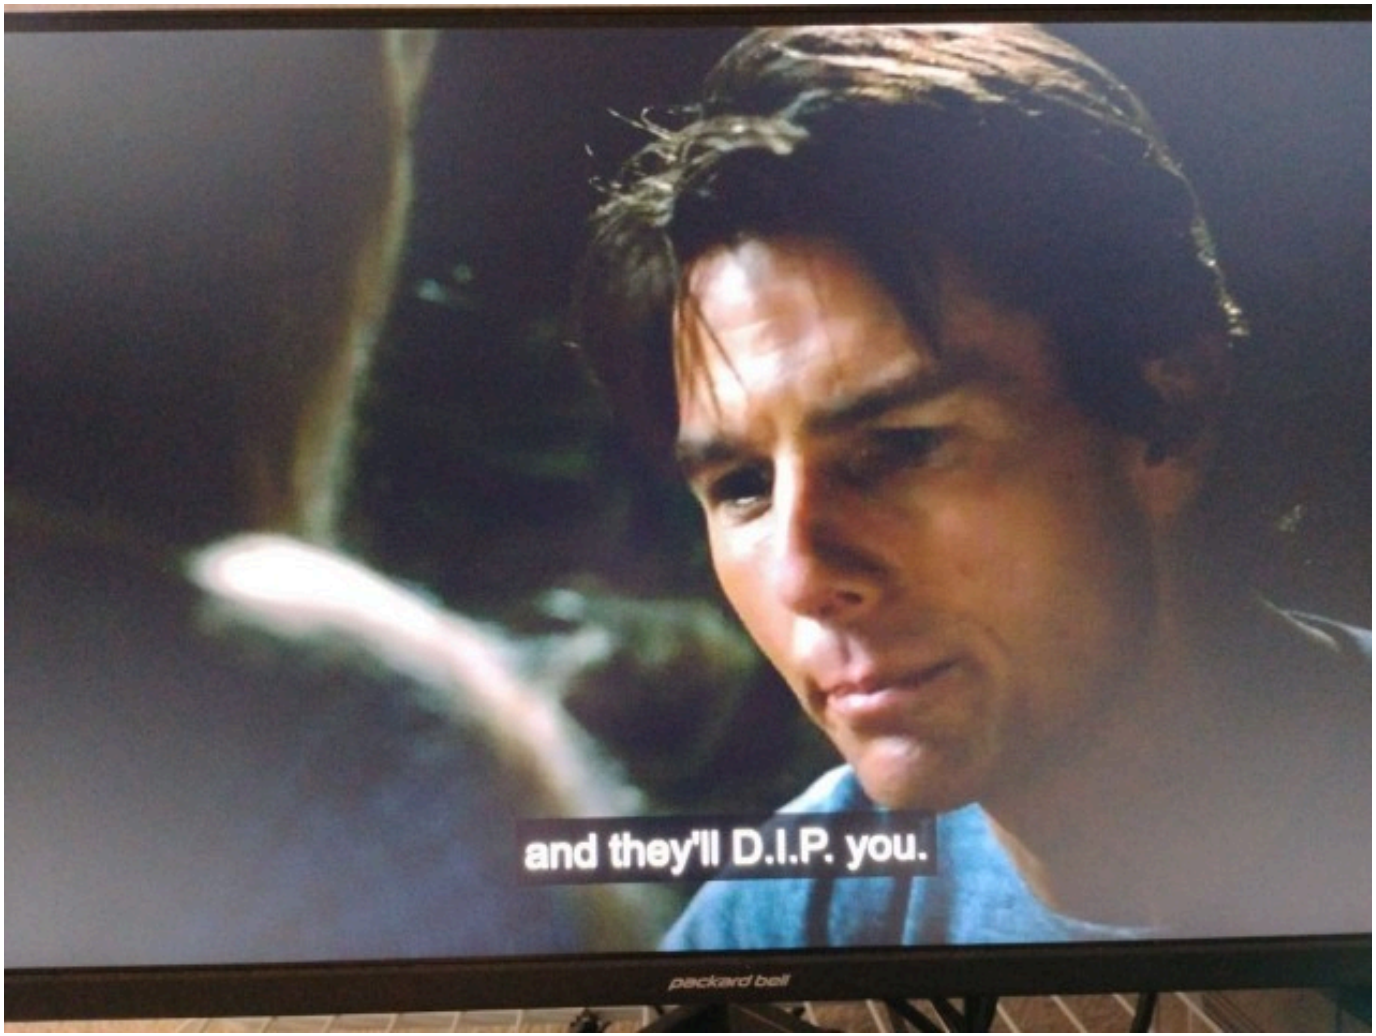
it goes into MKULTRA goes into child trafficking (into the USA during 1926 a pregnant convent pupil brought to the USA) it goes into the kind of philosophies behind it the reasons the motivations leads into Nazi Germany and the formation and the CIA how the MKULTRA programs and various mind-control programs and pedophilia and child trafficking and really these horrible ratlines and drug lines and things like that were brought into our country under the color of law

but in black budgets the different people that were involved (in trafficking black market bank accounts) different identities (Glorian Donegan and Atomic Testing DNA Donegan family) that were changed in the ways (still secret at the time of her death) that I came into this knowledge witnessed some of this learned some of this through kind of extraordinary ways put some pieces together and have had a story to tell

with a lot of other people and came to a point in my life where I could no longer be silent especially regarding the the children that I'm aware of in the and their stories and so that's why I'm on this mission

it's risky I have you know I've been assaulted and threatened many many times and but I'm determined to tell the truth and get the truth out there so that the American people have a chance to know this truth and hopefully help rescue some of these people and also give whistleblowers a chance to open up and come forward

> I hope at some point that the President of the United States President Trump will ask for the whistle blowers to go forward and speak to him and tell him their stories and their stories of targeting and their stories of retaliation and their stories their lives being taken over and shut down in intimidation and fear and death threats and all the things that happen to those of us that stand up for the role law and Senate for the Constitution of the United States



> Tom Cruz in Knight and Day tells Cameraon Diaz they will "Dissinformation Protool Her."

Those identifying themselves as Federal Agents they will tell you a story about me. About how I am mentally unstable, paranoid, .. how I am violent and dangerous, and will all sound very convincing. They will use reassuing words like "stablilize, secure, safe." If they say these works with repetition it means they are going to kill you.

Now think about the 25 or so dead (Bobby, Jimmy, numerous cops and role players, Veronica Hoffman, perhaps Nancy Guthrie in her newly wiring repaired home) and them being found dead helping these prosecutors undercover assets.

FEDERAL CRIME RINGS OPERATE IN THIS NEIGHBORHOOD. USE EXTREME CAUTION!

> Ring of Racketeering. What can corrupt official and their boots on the ground get away with? Discrediting operations? Racketeering Operations? Confrontational fight engagements?

Jen Moore nor Ed Donegan have no doubts about this and I am going to make sure the Truth is arhvived. This book about about mischaracterizing the truth about Ed Donegan and large scale identity theft with fifteen roll player (or police) deaths absolutely linked to this coverup. Ed Donegan is writing a book about the Kennedy assasination. His book is about that. Jen Moore's videos are about that. My videos are about that. What is being Revenge Stalked is NOT revenge, it is calcuated descrediting, it is part of a Legend built built about Ed Donegan and in abusive ways being confrontational bullying Ed Donegan. I have very long chains of evidence of those invovled, the US media will not cover it except for O'Keefe but he seems to mostly have dropped it after being drive from the organziation he brought to fame. One of the tecniques used by Conspirator is how police fire, EMS, and others treat a person in public creates a stigma of that person in public.

This IS about John Foster Dulles and ANZUS and the Rockefeller Republicans to create puppets like Barrack Obama Jr. for politics or in media. This is (my piece of this) NOT about Cuba, Bay of Pigs,or Allend Dulles. It iS about technology increasing the danger from missles and protectin Western land masses were ever that technology might have been deployed by the USSR or China or others.

What type of gain could result from violence against Nancy Gutrhrie? My book on Robert F. If a killing occurs, penalties include life imprisonment or the death penalty, as defined by sections 1111 and 1112. These laws cover killing or attempting to kill to prevent testimony or retaliate for information given to law enforcement.

Extortion in racketeering laws is the collection of an unlawful debt. This is usually seen and codified as gambling, but other debts like loan sharking and frauds are included as unlawful debts in wider interpretation. This even to into per one case legitimate profits in an business who gained market share by an unlawful scheme. Unlawful debts can include using the legal system in a fraudulent way such as with fabricated evidence or confusion of accounts in accounting practices.

Rod Rosenstein and Lisa Barsoomian his wife are Constant Targets of Jen Moore expose

Jen Moore asserted the prosecution of Gen Flynn was harassment of Flynn. Jen Moore asserted John Podesta and others were in a Pizzagate conspiracy to silence people using blackmail, and that Rosenstein was one of the operators of the scheme and the Flynn was a critic of the scheme. The fallout from this confilct (according to Jen Moore) is they found a way to bring a charge against Flynn to pressure him into silence.

The General Flynn trial led by Mueller and Rosenstein was offensive to Jen Moore. Jen felt Flynn was a victim being targeted in the DIA and later in politics and law for harassment because it was Flynn who was a thorn in the side of those supporting Pizzagate.

Pizzagate was a smear system alleging child abuse to those who are not child abusers. What Flynn was prosecuted for and Flynn pleaded guilty in December 2017 is to making materially false statements to the FBI about the content of his conversations in December 2016 with Sergey Kislyak, then-Russia's ambassador to the United States. This violated federal law (18 U.S.C. § 1001), which makes it unlawful to knowingly and willfully make false statements to federal agents Jen Moore felt he was fired and being harassed after showing what a fraud was being done by the DIA who had fired Flynn under Obama Jr. This axis of Mueller, Rosesntein and his wife against Whistle-blowers was her constant assertion of tactics to silence those who hold secrets. This made it hard for Flynn in national security work and in public prestige.

❖ Pizzagate in increasingly subsantiated as more files have are being released

“

- → **Pizzagate does exist in elite cirles:** Using codewords and other symbols Ed Donegan knows nothing about children often 2 to 5 years old or "barely legals" are trafficked. Though some have hidden evidence since the release of files most of the original evidencve is archived and available.
- → **Because Pizzagate DOES exist it is possible to link peole to it who are not linked to it:** This has occured with me Edward Pauld Donegan as false narratives are spoken and acted out, and impersonaters create fabricated confessions of me used to bilk trust funds based on the slander linking me to Pizzagate. Manyd deaths surround whistle-blowers and investigators. This links back to McMartin preschool and Franklin, NE as child developments studies, "ritualistic traumatic abuse" and covert operations of the CIA and FBI that included children as blackmail tools, children as behavoiral research, etc.,
- → **Andrew Breitbart was an investigator of Pizzagate and Podesta and like other investigators (and some perpetrators) died during the course of events:** . Micheal Hastings was investigating a partially overlapping set of names. The replacement of Andrew Brietbart was Steve Bannon who was closely related to Epstien and trans-humanims (global eugenics and population studies.) Jen Moore was among those who died discloing the networks existance, and improper linking of Ed Donegan to that network.

Some files by themselevs do not seem a problem but when a pattern of long con frauds survieling and harrasing a writer working in his home occurs a Modus Operandi is present. Multiple (perhaps four or five) entered my apartment to search it and without any notive on 3/11/2026 and here are some files that by themselves only prove nothing. a_GardenTerraceMicrowave3_11_2026.pdf and

a_DioulogueFromUtTexasAustinHispanicWoman3_14.txt and a_LEDCountertopLightDeliveredMarch5_2026.pdf and a_12inLEDunderMicrowave.jpg and a_3_11_2026PressContacts.png" are consistent with what was done at my last home 1315 Ocean Drive in Corpus Christi. Narratives were being coached and built up suggesting events not occuring but are conflated with real events that did occur. Here DARVO was used for lighting as it was at 1513 were I was rather openly told my lighting I had installed would help see the little hispanic girls playing near the aparment unit #5 but every other unit was set up a a "Tree Nest" oversing the law area, not mine. As usual thugs were doing the real events ascribed to me and my aprtment furnishings. I have asserted all along these are con artist usign frauds but the homeless spiton me in respone, call me the devil not saved by jesus, or violent prison thugs start acting out, spitting, and punching, or hover in groups around power outlet they ar territioral of and will not let others access, and at times unplug when I amn working on my PC.

Within Garden Terrace the apartment manager (on site office) and Resident services Haley (office off the community room) and Resident Services Carol (office off the gym room) are the key event drivers. These dirty-tricks sometimes obvious and sometime not are called Slander Campaign when and if the double entender is meant to implicate guilt but hide from scrutinty with a plausible other construction of meaning or other narrative of what was occuring or other narrative as to why something was happening. Creating Narrativs is what Stalkers do as Role-Players used as Community-Based-Agents.
